

Weaving It Together

How will you show program impact?
How will you measure quality and quantity?
(Performance Measures)

What goals does this help us achieve?
How will we know we are making progress?
(Results/Indicators)

What staff/materials do you need to make this happen?
Will the budget/available resources support the plan?
(Resources)

What is the Program?
What is the Activity?
(Solution)

Who else from the community/region can help make it a success?
(Partners)

How is it culturally relevant?
How is it trauma-informed?
How is it helping build bridges?
(Creating Conditions)

What could truly make a difference?
(Transformation)

What needs to happen in the next 6 months?
(Next Steps)
